Product Description

The blue object box exercise in Montessori language development consists of six small objects that represent longer phonic words with a consonant blend and that represent words such as flag, clip, frog, stag and stem, chick, duck, clock, brick, lock and sack. This activity is done individually and carried out on a mat.

Purpose

- To help the child practice forming longer phonic words.
- To prepare the child for reading longer phonic words.
- To help the child blend consonant sounds at the beginning of a word.
- To help the child improve his/ her vocabulary.

Exercise

- Demonstrate the exercise by bringing the set and placing it on the mat.
- Invite the child to come and sit around you to watch the demonstration.
- Start the exercise by taking out the blue object box and place it in front of you.
- Using your dominant fingers, take out 3 objects and arrange them in a vertical line in front of you.
- Using your index finger, point to the object in the front.
- Call out the name of the object, for example- frog and name the object again.
- Ask the child what is the sound he/ she hears in the word frog.
- Encourage the child to repeat the word and to listen to each sound.
- Now, ask the child what is the middle sound in the frog.

- Make sure that you put emphasis on the middle sound of 'O' when you sound out the word.
- As the child responds with 'O', continue to the next object.
- Repeat the exercise similarly and help the child whenever there is a difficulty in understanding.
- Encourage the child to sound out the words correctly and properly.
- Monitor the child's work and assist the child only when there is a necessity.
