Product Description

Blue pictures boxes in Montessori language development includes a box containing 6 matching Blue word and picture cards and a mat. This exercises is meant for the child to learn to blend in the activity of matching the pictures with words, and then to match to the corresponding objects.

Purpose

- To enhance the child's vocabulary.
- To help the child to develop effortless reading capability.
- To refine the child's reasoning and observational skills.

Exercise

- Demonstrate the exercise by first picking up the box and placing it on the mat.
- Invite the children to gather around to watch the way you demonstrate.
- Inform the child that the activity is called blue picture box.
- Using your dominant fingers, open the box and place the lid on the side.
- Remove the pictures from the box, one by one using your thumb and index finger and places them horizontally on the table.
- Remove the word cards and place them in front of you.
- As you can see and identify the pictures, pick a card and show it to the child.
- Ask the child to sound out the word.
- When the child sounds out the correct word, continue with the next picture card.
- As the child sounds out the correct words, pick the cards faster as that guides the child's reading.

- Now, ask the child to pick the right word card and place under the picture card appropriately.
- As the child starts to correctly place the cards, encourage the child to practice it more.
